Managing Director Message

Dear Stakeholders/Colleagues,

I was honored to be chosen by the Government of Khyber Pakhtunkhwa to lead The Bank of Khyber into the future as the Managing Director/CEO.

The year 2018 was tough year for the banking industry in Pakistan, full of macroeconomic instability, geo-political uncertainties and risks. A year of challenge and change in the political scenario of Pakistan, a smooth election process and transfer of power was seen as a positive economic indicator.

However, the sudden surge in the Discount Rate, PKR parity and the rising inflation impacted the banking industry in its core function of lending to the private sector. The slow down in economic activity could lead to lower advances demand in CY19.

Despite of adverse economic conditions and a challenging environment your bank has posted decent numbers during the year 2018, which was made possible due to the efforts of the dedicated team in the field, back offices and at the Head Office.

I take this opportunity to acknowledge the guidance of the Chairman and Board of Directors for their contributions and trust reposed in the team.

With the passion to move ahead, we pledge to meet and exceed the expectation of our shareowners, customers, employees and regulators.

Chairman's review Report

I am pleased to present this report on the overall performance of the Board and effectiveness of the role played by the Board in achieving the Bank's objectives. The leadership and effectiveness of the Board are primarily the Chairman's responsibility. We, in the Board recognize the importance of, and are committed to, high standards of corporate governance, aligned with the needs of the Bank and the interests of all our stakeholders.

The Board of Directors of a company shall carry out its fiduciary duties with a sense of objective judgment and in good faith in the best interests of the company and its stakeholders. Accordingly, my fellow directors and I are fully aware of the role, responsibilities, applicable laws and regulations to effectively govern the affairs of the Bank. We fully appreciate the importance of sound governance in the efficient running of the Bank, and in particular to the effectiveness and independence of the Board and the management of risks being faced during the course of business.

The composition of the Board of Directors reflects mix of varied backgrounds and rich experience in the fields of Management, Business, IT and Banking. The Board provides strategic direction to the management and is available for guidance. The Board approves the budget and ensures that a competent and energetic team is in position to achieve the goals set. The Board ensures compliance of all regulatory requirements by the Management. The Board is ably assisted by its Committees viz. Audit Committee, Human Resource & Remuneration Committee, Risk Management Committee and IT Steering Committee.

As required under the Code of Corporate Governance, the Board has approved a formal process for its annual performance evaluation through an in-house mechanism based on Quantitative Technique with scored questionnaires. However, mandatory evaluation through external agency once in three years is being conducted through Pakistan Institute of Corporate Governance (PICG) in the year 2018. The exercise is on-going and expected to be completed in the first quarter of the current year.

In compliance to the Code of Corporate Governance, the Board has arranged Directors' Training Program for majority of its Directors so as to acquaint them with the regulations, applicable laws, their duties and responsibilities.

I take this opportunity to thank our stakeholders and customers for the trust they placed in the Board, the management team for its cooperation, the Board of Directors for their guidance and support and the employees for their sincere efforts throughout the year under review.

Dr. Shahzad Khan Bangash
Chairman – Board of Directors

Directors' Report to the Shareholders

Dear Shareholders

On behalf of the Board of Directors, I am pleased to present the 28th Annual Report of the Bank of Khyber along with audited financial statements and auditors' report for the financial year ended December 31, 2018.

Financial Highlights

The operating results and appropriations, as recommended by the Board, are as under:

(Rs. in million)

Operating Profit	878
Reversal against non-performing advances, investments & others	(171)
Profit before taxation	707
Taxation	241
Profit after tax	466
Total Assets	223,095
Advances (Gross)	99,167
Investments (Net)	94,233
Deposits	171,168

Economy Review

During the year 2018, Pakistan's economy remained under pressure. The rise in core inflation coupled with devaluation in rupee, against US dollar, in the domestic market made it difficult to take economic decisions freely. Incidentally, increasing trend in the discount rate during the year, gave rise to the manufacturing and transportation cost, resulting in price hike of all the commodities produced locally.

Moreover, our foreign exchange reserves eroded due to service of foreign debts and payments against import bills. However, stabilization measures taken by government, followed by steps taken to discourage imports, coupled with encouraging flow of foreign remittances, have served to reduce some economic uncertainties.

During the year under review, the SBP Policy Rate increased on a number of occasions and reached 10% in a bid to make borrowing expensive and apply brakes on the accelerating inflation in the country.

Performance Review

The Bank of Khyber like other banks faced difficulties during the year 2018 due to increase in policy rate, which effected the overall banking industry. However, the Bank remained committed to providing efficient banking solutions to its customers through its technologically upgraded expanded branch network with enhanced risk management framework.

The Bank posted profit before tax of Rs.707 million as compared to Rs.2,795 million of the previous year. Accordingly, Profit after tax also decreased to Rs.466 million. The decrease is, mainly attributed to recording of loss on sale of securities.

The Net Mark-up / Interest Income after provisions increased by 7% and stood at Rs.5,143 million as compared to Rs.4,799 million in the corresponding period of 2017. Non-Markup / Interest Income excluding loss on sale of securities increased by 19%. During the year dividend income also reduced considerably.

An increase of 7% was recorded in Administrative Expenses which increased from Rs.3,775 million in 2017 to Rs.4,052 million in 2018. The increase is mainly due to opening of new branches, rent, renovation and staff salaries etc.

The total assets of the Bank decreased by 9% and reached Rs.223,095 million as compared to Rs.245,132 million at the year-end 2017. The decrease is attributed to reduction in Investment by 33% as the funds shifted to advances to augment core banking activities. An increase of 13% has been witnessed in the gross advances of the Bank which increased to Rs.99,166 million as compared to Rs.87,673 million of the previous year 2017. It was important to note that during the year, efforts were made to meet the financial needs of the Bank through low cost deposit mobilization. Accordingly, reliance on borrowings was reduced by 46% to save cost and to encourage cost effective channels.

The shareholders' equity with a slight decrease stood at Rs.13,809 million. Return on Assets (ROA) and Return on Equity (ROE) stood at 0.21% and 3.98% respectively.

On the liability side, the deposit base of the Bank witnessed consistent growth throughout the financial year 2018 and stood at Rs.171,168 million showing an increase of 7% over the year 2017. This deposit growth was mainly driven through new customer acquisition and deepening of the existing portfolio base. The Bank managed to reduce costly deposits and curtailed cost of funds.

The Bank at the end of the year under review, was operating with 169 branches and 3 sub-branches all over the country including Gilgit Baltistan, FATA and Azad Jammu & Kashmir. A total of 84 branches were functioning as dedicated Islamic Banking branches. Taking cognizance of the fact that the outreach of branch network has direct implications on the services, the Bank focused on concentrating and broadening its services through the extended branch network to provide efficient banking services to its valued customers. Efforts were made to offer better products and services in an efficient and professional manner.

Future Outlook

In the year 2019, Pakistan would be entering into the second phase of China Pakistan Economic Corridor. This means that the government would focus on trade policies and industry development, moving on from infrastructure. Taking cognizance of the importance of the CPEC, different countries have shown their strong interest in investing in this multifaceted investment opportunity. Foreign investments are pouring in which will not only augment the investment climate but will pave the way for Pakistan to emerge as a key player in the region with massive growth in the near future.

The Bank being watchful of the economic conditions would focus on maintaining the growth momentum and asset quality. The cornerstone of Bank's philosophy would remain on improving service quality standards and providing state of the art banking services through leveraging technology and trained human resource. Efforts are also underway to target new market segments and to improve efficiency and productivity in Bank's overall performance.

The Bank would be focusing on enhancing revenue growth and profitability through cross selling various financial products, strengthening internal controls operational structure, capacity building, proficient customer services and optimizing branch banking platform. Emphasis will be on major cost rationalization initiatives through continuous improvement in automation and product innovations.

Further, more emphasis will be placed on increasing advances in all segments of economy with special focus on SME and agriculture sector to improve Bank's ADR and profitability.

The Bank is fully confident that the goals set for the ensuing year will be materialized and would contribute to working of the Bank.

Risk Management Framework

The Bank emphasizes on maintaining high risk management standards to ensure that the risks being faced by the Bank are properly identified, assessed and appropriate mitigation tools are adopted keeping in view their nature and concentration. A robust governance structure exists at the Board and Management levels and comprehensive policies covering different risk areas including Credit, Market, Liquidity, Operational and Country Risks have been approved by the Board which provide guidance to the to the management in the conduct of business.

The Board has formed a specialized Board's Risk Management Committee ("BRMC") to oversee the risk management activities. The BRMC held regular meetings as per the given mandate and thoroughly reviewed primary risks including Credit, Market, Liquidity and Operational risks. In addition, the BRMC also took stock of other material items such as follow up and management of non-performing accounts, interest rate environment, and afforded guidance in the management of risk assets portfolio vis-à-vis capital. At the senior management level, the Bank has dedicated committees which include, inter-alia, the Head Office Credit Committees and Assets Liability Committee ("ALCO"). These committees discharge their responsibilities in accordance with their respective terms of reference.

Risk Management structure at the Bank has been founded in line with regulatory requirements and in line with banking practices. The structure fundamentally ensures to avoid conflict of interest amongst different functions and fosters better control environment. While the branches initiate business propositions for financing or investment and FI limits, the relevant support officials at the Head Office, conducts detailed analysis of these proposals before they are forwarded to Credit Risk Management Department for consideration. Credit Risk Department takes into account various factors such as borrowers' financial positions, industry dynamics and quality of collateral for evaluation and form the basis of onward recommendation to the approval authority.

Market and Liquidity risks are being looked after by the Market and Liquidity risk department where a reporting framework has been put in place for timely reporting to the ALCO members. The department is responsible for updation of Market Risk Management (MRM) Framework encompassing Asset Liability Management, Interest Rate Risk in Banking and Trading Book coupled with Treasury Investments and Equity portfolio monitoring against defined Risk tolerance limits.

Operational Risk is managed through a dedicated function within the risk management function with well defined framework. The function conducts Risk Control Self-Assessment (RCSA) workshops which assess documented process flows of various banking transactions taking place in day to day functioning of the Bank for inherent and residual risks. An Automated solution/software for Operational loss incident reporting is in place and can be accessed by every employee of the Bank for reporting of control breaches leading to losses. Operational Loss Data also helps the Bank in taking corrective measures for various control lapses identified in it.

The Bank continued to closely monitor market developments especially interest rate environment, and appropriately realigned business strategy to control downside on the bank's balance sheet. As a result of timely actions, the Bank remained fully compliant with regulatory requirements pertaining to capital adequacy and liquidity coverage as per Basel III guidelines. During the year, the Bank also reviewed Internal Capital Adequacy Assessment Process document as per guidelines of the State Bank of Pakistan.

Internal Controls

An internal control system is designed to provide reasonable assurance that the company ensures compliance of policies, plans and laws, efficient use of resources, accomplishment of goals besides availability and integrity of financial and management information. The internal control system of the Bank is very comprehensive, effectively implemented and being monitored regularly. The Bank has increased its emphasis on control procedures to confirm that corporate policies are executed and corrections are applied as and when required.

Board of Directors

The total number of Directors are seven (7) as per the following:

- i. Male: Seven (7)
- ii. Female : Nil

Appointment of a female director on the Board of the Bank is under consideration and in the year 2019 a suitable female director is expected to be inducted on the Board.

During the year 2018, details of Board and Board Committee meetings and their attendance by the Directors are as under:

Directors' Training Program

In compliance with the Code of Corporate Governance, three Directors namely, Dr. Shahzad Khan Bangash, Mr. Shakeel Qadir Khan and Mr. Asad Muhammad Iqbal have already completed the Directors' Training Program through Pakistan Institute of Corporate Governance (PICG) however, Dr. Bangash certification is still awaited. Mr. Maqsood Ismail Ahmad has been granted exemption by Securities & Exchange Commission of Pakistan (SECP) on the basis of education and previous experience as Director of listed companies. Further, the Board has arranged Directors' Training Program for Mr. Shaharyar Ahmad during the year under review.

Performance Evaluation

Third party evaluation of the Board and its committees was initiated during the year by engaging PICG for compliance to SBP BPRD Circular No. 11 of 2016. PICG sent evaluation links comprising questions with ranking scale to all directors. The exercise is on-going and expected to be completed in the first quarter of the current year.

The Bank has an in-house mechanism in place for annual evaluation of the Board's own performance and of its committees. The evaluation for the year 2018 shall be completed in the year 2019.

Directors' Remuneration

The current remuneration of non-executive and independent directors had been approved by the shareholders in the 27th Annual General Meeting held on March 29, 2018. According to the approval, an amount of Rs.50,000/- per meeting (net of taxes) was approved for the non-executive and independent directors for attending Board and its committees' meetings. The draft of the Directors' Remuneration Policy has been prepared and to be presented in the Board meeting for review and approval.

Credit Rating

JCR-VIS Credit Rating Company Ltd. (JCR-VIS) has reaffirmed the medium to long term and short term entity ratings of the Bank at "A" (Single A) and "A-1" (A One) respectively. Outlook on the assigned rating is "Stable".

The Pakistan Credit Rating Agency Limited (PACRA) has also maintained the long term and short term entity ratings of the Bank at "A" (Single A) and "A1" (A One). Rating outlook is "Stable".

The ratings denote low expectation of credit risk emanating from strong capacity for timely payment of financial commitments.

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of "The Bank of Khyber"

Review Report on the Statement of Compliance contained in Listed Companies (Code of Corporate Governance) Regulations, 2017

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2017 (the Regulations) prepared by the Board of Directors of "The Bank of Khyber" for the year ended December 31, 2018 in accordance with the requirements of regulation 40 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Bank. Our responsibility is to review whether the Statement of Compliance reflects the status of the Bank's compliance with the requirement of the Regulations. A review is limited primarily to inquiries of the Bank's personnel and review of various documents prepared by the Bank to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Director's statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Bank's corporate governance procedures.

The Regulations require the Bank to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions and also ensure compliance with the requirements of section 208 of the Companies Act, 2017. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee. We have not carried out procedures to assess and determine the Bank's process for the identification of related parties and that whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Bank's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Bank for the year ended December 31, 2018.

We draw attention to paragraph 2 to the statement of compliance which describes the reason for carrying the nominee director under independent category. Our conclusion is not modified in this respect.

Further, we highlight below instances of non-compliance with the requirements of the Regulations as reflected in the paragraph reference where these are stated in the Statement of Compliance:

Paragraph Reference	Description
2	The Bank has not appointed the female director.
9	A formal policy containing procedures for remuneration of directors is not approved by the Board.
10	Chairman of the Board, at the beginning of the term of each director, has not issued letters to directors setting out their role, obligations, powers, responsibilities, remuneration and entitlement.
12	The Bank has not carried out formal orientation courses for the directors to acquaint them with applicable laws and regulations.
18	The Audit Committee has no financially literate member.
20	The performance of the Board, its members and of its committees has not been evaluated.

Statement of Internal Controls

This statement is issued in compliance of the requirements of the State Bank of Pakistan, issued vide BSD Circular No. 7 of 2004, "Guidelines on Internal Controls" and OSED Circular No. 1 of 2014 "Instructions on Internal Controls Over Financial Reporting (ICFR)".

An internal control system is a set of procedures and activities designed to identify, evaluate and mitigate the risk in processes and operations in order to support the overall objectives and vision of the Bank. It is one of the prime responsibilities of the Bank's management to establish a system for adequate and reasonably effective internal control environment on ongoing basis. Management of the Bank is fully aware of its responsibility and has implemented and maintained system of internal control under the approved policy of the Board of Directors. It should be noted that internal control systems are designed to manage rather to eliminate the risks. Due to system limitations, human errors an absolute assurance is never possible however a reasonable and effective internal control system remain active throughout the year 2018.

The internal control structure of the Bank of Khyber (Bank) comprises the Board of Directors, Senior Management, Risk Management Group, Financial Control (Finance) Division, Operations & Support Group, Compliance & Controls Division, Internal Audit Division, Internal Control Units (ICUs) within various divisions and the controls & self-assessment including whistle blow SOPs implemented at various functions within the Bank. All significant policies and procedure manuals are in place and are updated on reasonable intervals to mitigate the threats.

Internal Audit conducts audit of relevant activities and processes to evaluate the effectiveness of the control environment throughout the Bank. It is an independent division and reports directly to Board Audit Committee (BAC). Function also actively monitors implementation of corrective/remedial steps in coordination with management to ensure that identified risks are properly addressed and mitigated in the interest of the Bank. Moreover all process control exceptions and gaps/objections raised by internal/external auditors, controlling departments within management or regulatory bodies are dealt seriously for prompt remedial measures and are also discussed at highest possible forums like BoD, BAC and Management Committees.

The Bank follows the SBP's directives for Internal Controls over Financial Reporting (ICFR), under COSO framework and has complied with the SBP's stage wise implementation roadmap. As part of this exercise, the Bank has documented a comprehensive ICFR Framework which has been approved by the Board of Directors. As required under the SBP's guidelines, the Bank's external auditors are engaged annually to provide their Long Form Report (LFR) on ICFR, which is submitted to the SBP within the stipulated timelines. Submission of LFR for 2018 will be made in due course in accordance with the guidelines provided by SBP. A quarterly progress report on ICFR, duly approved by the BAC, is also submitted to the SBP.

During the year, the Bank conducted testing of financial reporting controls for ensuring the effectiveness of ICFR prevalent throughout the year. None of the deficiencies identified are expected to have a material impact on financial reporting. Management considers that the existing system of internal controls, including ICFR, is adequate and has been effectively implemented and monitored, although room for improvement always exists.

Bank's Board of Directors endorses the management efforts for implementation of internal controls.

Report of The Shariah Board (for the year 2018)

While the Board of Directors and Executive Management are solely responsible to ensure that the operations of Islamic banking of The Bank of Khyber (BOK) are conducted in a manner that comply with Shariah principles at all times, we are required to submit a report on the overall Shariah compliance environment of the Islamic banking of BOK.

By the Grace of Almighty Allah (S.W.T), Islamic Banking Group, being operated in The Bank of Khyber, has completed (15) years of successful operations. The Bank of Khyber has 84 standalone Islamic Banking Branches (IBBs) and 39 Islamic banking Windows (IBWs) working in conventional branches.

Islamic Banking Group (IBG) of the bank provides a wide range of Shariah compliant banking services both on Assets & Deposits side in order to serve banking needs of the customers keeping in view the business need of the bank. On Islamic assets side the main business units of BOK is comprising of corporate banking, investment banking, commercial banking, consumer banking, treasury and asset management. Islamic Banking Group of BOK provides all these services through following products:

1	Ijarah	2	Murabaha
3	Diminishing Musharakah	4	Running Musharakah
5	Mudarabah	6	Istisna
7	Salam	8	Import Export under Islamic Banking
9	Export Refinancing	10	Share Purchase
11	Process for Foreign Currency	12	Management of Treasury /FI Pool

On other side Islamic Banking Group offers a wide range of deposit products, current, saving and term deposit accounts which are designed with flexible features to meet the need of our customers in Shariah compliance manner. Presently BOK Islamic banking is offering following types of deposits accounts:

1	Current Accounts	2	Interest Free PLS Saving Accounts
3	Riba Free Certificates	4	Foreign Currency Account
5	Riba Free Special Deposit Pool for Mutual Funds	6	Riba Free Special Deposit Pool for Banks
7	Riba Free Special Deposit Pool Deposits/Certificate	8	Riba Free Special Deposit Pool corporate

Shariah Compliance in IBG – BOK

Shariah compliance has always been the strength of Islamic banking group of BOK where no compromise is made on Shariah principles. Shariah Compliance Division is working under the supervision of Shariah Board with independent Shariah Compliance and Shariah research & Review units to ensure Shariah compliance through multiple cross functional checks.

During the year under review, Shariah Board conducted 4 meetings to review various products, structures, process flows/modus operandi, concepts, and transactions for opinion on Shariah compliance, referred by Islamic banking group of BOK to ensure adherence to Shariah requirements. Beside this there is a system for review of executed transactions which includes periodic testing and checking of sample transactions by Shariah compliance team and regular Shariah audit by Internal Shariah Audit team. These audits/reviews not only cover the transactions that the branches/divisions/departments undertake but also include an evaluation of the knowledge of staff pertaining to Islamic Finance. In this regard Shariah Review team has visited 80 % of total Islamic banking branches, Islamic treasury and number of departments in head office whereas internal Shariah Audit team has audited all Islamic branches and divisions/departments of IBG.

Based on the above, we conclude

Each class of transactions with respect to the relevant documentation and procedures adopted by IBG-BOK has been examined on test check basis and we are of the view that:

- The Bank has complied with Shariah rules and principles in the light of fatawa, rulings and guidelines issued by its Shariah Board.
- The Bank has complied with directives, regulations, instructions and guidelines related to Shariah compliance issued by SBP in accordance with the rulings of SBP's Shariah Advisory Committee.
- The allocation of funds, weightages, profit sharing ratios, and profit relating to PLS accounts conform to the basis vetted by SB and in accordance with Shariah rules and principles.
- The Bank has complied with the SBP instructions on profit and loss distribution and pool management and approved profit and loss distribution policy of the bank.
- All sources of income of the bank are Shariah compliant and any earning which has been realized from sources or by means prohibited by Islamic rules and principles have been transferred to the Charity Account which will be distributed as per approved Charity policy of the bank. It is worth mentioning here that other than above some mistakes in documentation have been pointed out by the Shariah Audit Unit and Shariah Review unit which did not render the income to be non Shariah compliant and they have been addressed as per instructions issued by the Shariah Board.
- Product Development Department has been established to comply the requirement of SGF and this department is seeking SB guidance while developing products and documents.
- The level of awareness, capacity and sensitization of the staff, management and the BOD in appreciating the importance of Shariah compliance in the products and processes of the Bank is adequate and will be further improved through orientation sessions / trainings. This year, number of training sessions have been organized for staff members across Pakistan catering to more than 971 employees of the Bank. This number includes, training sessions, orientation sessions, refresher programs and certification programs in Islamic Financial Products from internal and external resources. Bank is also actively supporting capacity building activities of the industry by extending its support to institutions including National Institute of Banking and Finance (NIBAF), state bank of Pakistan and various other national and international institutions in conducting Islamic banking training sessions.
- Other than the training to internal staff, the Bank has also conducted 9 Ulama Conferences and Public Awareness Seminars in multiple cities of the country for promoting Islamic banking and awareness of general public which were attended by a large number of Shariah scholars, Muftis, business men, senior citizens, customers, general public, professionals and students of various universities.
- The Shariah Board has been provided adequate resources enabling it to discharge its duties, effectively.

Conclusion

On that note, we, members of Shariah Board of Islamic Banking Group – the Bank of Khyber, do hereby confirm that, in our level best, the operations of the IBG- BOK for the year ended 31 December 2018 have been conducted in conformity with the Shariah rules and principles.

Recommendation

Based on the review of various transactions, reports of Internal Shariah Audit and Shariah Compliance operations of the Bank, it is recommended that:

The bank may continue its policy of expansion and business growth of Islamic banking. This will further strengthen Islamic banking Group's ability to create awareness and deliver Islamic banking products and services widely.

- With the expansion in size and reach, the Bank may explore the possibility of offering Islamic banking services to the government and specially to provincial government which may include the shariah compliant treatment of all facilities of governments employees.
- We appreciate the focus of management on capacity building particularly regionalize advance level trainings for promotion of SME and corporate financing of the bank and recommend continuing its focus on employees' training related to Islamic banking products and services offered by the Bank with specific focus on front line staff.

May Allah (SWT) bless us with the best Tawfeeq to accomplish His cherished tasks, make us successful in this world and in the life hereafter and forgive our mistakes.

“We bear witness only to what we know, and we could not well guard against the unseen!”

علاوہ ملک میں اسلامی بینکاری کی ترویج و استحکام کے لئے کام کرنے والے دیگر اداروں مثلاً (STATE BANK OF PAKISTAN, NIBAF) وغیرہ کے تحت بھی اپنے ملازمین کو ٹریننگ کی سہولت فراہم کی۔

- اندرونی طور پر اپنی اسٹاف کی عملی اور عملی استعداد کو بڑھانے کے ساتھ ساتھ آئی بی جی نے عوام الناس اور دینی طبقے میں اسلامی بینکاری کی اہمیت اور شعور اجاگر کرنے کے لئے ملک بھر کے مختلف شہروں میں سیمینارز کا انعقاد کیا جس میں تجارت پیشہ حضرات، علماء کرام، مفتیان عظام، ائمہ و خطبائے مساجد، طلباء، پروفیسر حضرات اور بزرگ شہریوں سمیت مختلف افراد نے شرکت کی اور ان اجتماعات میں آئی بی جی کی اسلامی بینکاری کی خدمات کو سراہا گیا۔

خلاصہ:

انٹرنل شریعہ آڈٹ ٹیم اور شریعہ کمپلائنس ڈویژن کی رپورٹس اور مختلف عقود کے تجزیہ کے نتیجہ میں شریعہ بورڈ یہ سمجھتا ہے کہ آئی بی جی کے مالی معاملات اسلامی معاشی اصولوں کے عین مطابق ہیں۔

شریعی بورڈ کی چند سفارشات:

- بینک کو چاہئے کہ اسلامی بینکاری کے بزنس کو بڑھانے کیلئے اپنے اقدامات جاری رکھے تاکہ زیادہ سے زیادہ لوگوں کو اسلامی بیکاری سے ملنے واپراڈکٹس کے بار میں شناسائی ہو اور اسلامی بینکاری کی اہمیت اجاگر ہو۔
- اب چونکہ آئی بی جی کی اسلامی شاخیں کافی بڑھ گئی ہیں اس لئے آئی بی جی، حکومت وقت اور خصوصاً خیبر پختون خواہ کی صوبائی حکومت کو اسلامی بینکاری کی سہولیات کی طرف راغب کرنے کیلئے اقدامات کرے تاکہ حکومت اور خصوصاً صوبائی حکومت کے ملازمین کو ان کے جی پی فنڈز، سی پی فنڈ وغیرہ پر حلال منافع دیا جاسکے اور اس کے علاوہ دیگر ضروریات مثلاً ہاؤس بلڈنگ، کار فنانس اور گھریلو اشیاء کی خرید و فروخت بھی شرعی اصولوں کے مطابق فراہم کی جاسکے۔
- ہم بینک کی انتظامیہ کو اپنے عمل کیلئے اسلامی بینکاری کی ٹریننگ کے بارے میں مثبت اقدامات کرنے پر خراج تحسین پیش کرتے ہیں اور مزید یہ سفارش کرتے ہیں کہ یہ سلسلہ بقرار رکھا جائے کیونکہ اسلامی بینکاری کی ٹریننگ بڑھ حد تک اسلامی بینکاری کی شرعی اصولوں کے مطابق عملی تنفیذ اور اسکی اشاعت میں اپنا کردار ادا کرتی ہے جس سے نہ صرف اسلامی بیکاری کی آمدنی میں اضافہ ہوتا ہے بلکہ معاشرے میں بہت اچھا اور مثبت اثر پڑتا ہے۔ اللہ تبارک و تعالیٰ ہم سب کو صحیح کام کرنے کی توفیق عطا فرمائے اور ہماری ان تمام کاوشوں کو اپنی رضا کا ذریعہ بنا دے۔ (آمین)

کل وقتی شریعی بورڈ ممبر

اس سال آئی بی جی کے شریعہ بورڈ نے کل 4 میٹنگز کیں، ان میٹنگز میں ان تمام پراڈکٹس، اسٹریٹجیز، پروسیس فلوز اور مختلف عقود اور ایئوز کا جائزہ لیا گیا جو بینک کے انتظامیہ نے شرعی رہنمائی کے لئے شریعہ بورڈ کے سامنے پیش کئے۔ اس کے ساتھ شریعہ کمپلائنس ڈویژن کے فعال اور مربوط نظام نے وقتاً فوقتاً معاملات کی بھی جانچ پڑتال کی جو پایہ تکمیل کو پہنچ چکی تھیں۔ مزید یہ کہ آئی بی جی کے اندر کام کرنے والے عملے کی اسلامی مالیات کے لحاظ سے علمی معیار اور عملی صلاحیت کو بھی پرکھا گیا اور ان کو مزید بہتر بنانے کیلئے شریعہ بورڈ کی نگرانی میں حکمت عملی وضع کی گئی۔

سال 2018 میں شریعہ کمپلائنس ٹیم نے تقریباً 80 فیصد برانچوں، ڈیپارٹمنٹ اور ڈویژن کا شرعی اعتبار سے جائزہ لیا جبکہ شریعہ آڈٹ ٹیم نے تمام برانچوں کا شرعی آڈٹ کیا اور دونوں ٹیموں نے اپنی اپنی رپورٹیں مرتب کر کے شریعہ بورڈ کو واضح شرعی حکم بیان اور کرنے کیلئے ارسال کیں۔ اسی طرح شریعہ کمپلائنس ڈویژن نے آئی بی جی کے متعلقہ ڈیپارٹمنٹس اور ڈویژن کی پالیسیوں، مینولز اور دستاویزات پر نظر ثانی کی تاکہ متعلقہ ڈیپارٹمنٹس اور ڈویژن بہتر انداز میں کام کر سکیں چنانچہ یہ دستاویزات مزید بہتر اور قابل عمل بنانے کیلئے ترامیم و اضافہ کے بعد شریعہ بورڈ کے سامنے منظوری کیلئے پیش کی گئیں۔

شریعی کمپلائنس ڈویژن کی مختلف رپورٹس اور آئی بی جی کے معتد بہ عقود اور دستاویزات کا جائزہ لینے کے بعد ہماری رائے یہ ہے کہ:

- آئی بی جی نے اپنے معاملات میں شریعہ بورڈ کے جملہ اصول و ضوابط اور وقتاً فوقتاً جاری ہونے والے فتاویٰ کی تعمیل کی ہے۔
- آئی بی جی کی اسلامی بینکاری اسٹیٹ بینک آف پاکستان کے اسلامی بینکاری کے متعلق جملہ فرامین، قوانین اور ہدایات کے عین مطابق ہے۔
- آئی بی جی نے اسلامی بینکاری کی پول پینجمنٹ، فنڈز کی منتقلی، ہر پول میں نفع و نقصان کے تناسب اور رکھتے داروں میں نفع و نقصان کی تقسیم، شرعی اصول و ضوابط اور شریعہ بورڈ کی ہدایات کے مطابق کی ہے۔
- دوران سال اسلامی بینکاری کے تحت بینک کو حاصل ہونی والی مجموعی آمدنی شرعاً حلال اور جائز ہے۔ تاہم وہ آمدنی جو شرعی نقطہ نظر سے حرام تھی، اس کو فوری طور پر خراتی اکاؤنٹ میں منتقل کر دیا گیا اور یہ آمدنی مستحقین میں تقسیم کر دی جائیگی۔ تاہم یہ واضح رہے ہے کہ شریعہ آڈٹ اور ریویو ٹیم نے بعض مالی دستاویزات اور معاملات میں ایسی غلطیوں کی بھی نشاندہی کی تھی جس سے معاملہ باطل یا فاسد نہیں ہو رہا تھا چنانچہ ان معاملات کی تصحیح کیلئے شریعہ بورڈ نے اپنی سفارشات نوٹ کرائیں جو متعلقہ ڈویژن یا ڈیپارٹمنٹ کو بتادی گئیں تاکہ ایسی غلطیوں کا آئندہ کیلئے تدارک کیا جاسکے۔

- اسٹیٹ بینک آف پاکستان کے شریعہ گورننس فریم ورک کے مطابق آئی بی جی کے تحت ایک نیا ڈیپارٹمنٹ پراڈکٹ ڈیولپمنٹ ڈیپارٹمنٹ کا قیام عمل میں لایا گیا۔ جو کہ نئی پراڈکٹس بنانے میں شریعہ بورڈ کی رہنمائی حاصل کرتا ہے۔
- آئی بی جی اسٹاف، انتظامیہ اور بورڈ آف ڈائریکٹرز کی اسلامی بینکاری کی اہمیت اور عملی نفاذ کے حوالے سے صلاحیت، قابلیت اور اسلامی بینکاری کے بارے میں شعور بہت حوصلہ افزاء ہے تاہم رفتہ رفتہ اس کی بہتری میں مزید پیش رفت بھی لائی جائے گی۔
- ہمارے لئے یہ امر قابل اطمینان ہے کہ اس سال آئی بی جی نے اپنے عملے کی عملی تربیت کے لئے کئی ٹریننگز، سیمینارز، ریفرنس کورسز، ورکشاپس اور سٹریٹجیک کورسز کا انعقاد کیا ہے جس میں ملک بھر سے 971 اسٹاف نے ٹریننگ حاصل کی۔ اس کے علاوہ آئی بی جی نے اپنی اندرونی ٹریننگز کے

شریعی بورڈ رپورٹ

برائے مالیاتی سال 2018

اللہ تعالیٰ کے فضل و کرم سے خیبر بینک راست اسلامی بینکاری (جسے تحریر میں اب "آئی بی جی" کہا جائے) نے اپنا پندرہواں سال کامیابی کے ساتھ مکمل کر لیا۔ اس وقت پورے ملک میں آئی بی جی، 84 اسلامی شناخوں اور کنٹینٹل، برانچوں کے 39 اسلامی ڈیسکس کے ساتھ خدمات سرانجام دے رہا ہے۔ اگرچہ بینک کے بورڈ آف ڈائریکٹرز اور انتظامیہ اس بات کے حتمی طور پر مددگار ہیں کہ آئی بی جی کے جملہ معاملات شرعی اصولوں اور تعلیمات کے عین مطابق ہونے کا نظم قائم فرمائے تاہم شریعی بورڈ سے یہ مطلوب ہے کہ وہ لوگوں کے اطمینان کے لئے آئی بی جی کے تحت ہونے والے معاملات کی شرعی صورتحال کے متعلق رپورٹ پیش کرے۔

اس وقت آئی بی جی، ڈیپازٹ اور تمویل دونوں پہلوؤں سے اپنے کھاتہ داران گاہکوں کو شرعی اصولوں کے مطابق سہولیات فراہم کر رہا ہے۔ چنانچہ کاروباری ضروریات کو پورا کرنے کے لئے آئی بی جی مندرجہ ذیل تمویلی طریقوں سے خدمات فراہم کر رہا ہے:-

اجارہ	مراجہ	شرکت متناقصہ	رنگ مشارکہ
مضاربہ	استصناع	اسلامی بینکاری کے تحت درآمدات	سلم
ایکسپورٹ ری فائنانس	حصص کا کاروبار	پیرونی کرنسی کا معاملہ	ٹریڈری اپول منجمنٹ

ڈیپازٹ کی مد میں آئی بی جی مختلف ورائٹی کی پراڈکٹس، مثلاً جاری کھاتہ (کرنٹ اکاؤنٹ)، نفع و نقصان میں شرکت کی بنیاد پر پی ایل ایس اکاؤنٹ اور سود سے پاک نفع و نقصان کی بنیاد پر سٹیٹیکٹ فراہم کرتا ہے اور یہ تمام پراڈکٹس کھاتہ داروں کی ضروریات اور امنگوں کے حاصل ہوتے ہیں۔ اس وقت آئی بی جی اس مد میں ذیل خدمات فراہم کر رہا ہے:-

جاری / کرنٹ کھاتہ	ربا فری سٹیٹیکٹ	پیرونی کرنسی اکاؤنٹ
ربا فری سٹیٹیکٹ ڈیپازٹ پول برائے میچول فنڈز	بائیسٹیل ڈیپازٹ پول برائے بینک	ربا فری نفع و نقصان کی بنیاد پر بچت کھاتہ

شریعی کمپلائنس ڈویژن

شرعی احکامات کی تعمیل میں آئی بی جی ہمیشہ پیش پیش رہا ہے اور یہاں اس معاملہ میں اسلامی اصولوں کی پامالی پر کوئی سمجھوتہ نہیں کیا جاتا۔ شریعی کمپلائنس کا نظام (جو عملاً شریعی بورڈ کے ماتحت ہے) آئی بی جی کے اندر مختلف پہلوؤں سے اپنا کردار ادا کر رہا ہے۔ یہ نظام شریعی ریسرچ، ریویو اور شریعی کمپلائنس کے شعبوں پر مشتمل ہے، اس نظام کے تحت مستند مفتیان کرام و علماء دین اپنے علم اور تجربہ کی روشنی میں آئی بی جی کے تمام معاملات کا جائزہ لیتے رہتے ہیں۔

Independent Auditor's Report

To the members of The Bank of Khyber

Report on the Audit of the Financial Statements Opinion

Opinion

We have audited the annexed financial statements of The Bank of Khyber (the Bank), which comprise the statement of financial position as at December 31, 2018, and profit and loss account, statement of comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, along with unaudited certified returns received from the branches except for thirteen branches which have been audited by us and notes to the financial statements, including a summary of significant accounting policies and other explanatory information and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, profit and loss account, statement of comprehensive income, statement of changes in equity and statement of cash flows together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan, and, give the information required by the Banking Companies Ordinance, 1962 and the Companies Act, 2017(XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Bank's affairs as at December 31, 2018 and of the profit, the comprehensive income, the changes in equity and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Bank in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of the Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

S. No.	Key audit matters	How the matter was addressed in our audit
01.	<p>Impairment of advances</p> <p>As disclosed in note 11 to the financial statements gross advances of the Bank are Rs. 99,167 million against which impairment provisioning of Rs. 4,155 million is maintained. We considered the impairment of advances as key audit matter since the determination of impairment provisioning involves management judgment in addition to time based criteria for classification of advances and this has material impact on the financial statements of the Bank.</p>	<p>For selected samples, we:</p> <ul style="list-style-type: none"> a. obtained and updated our understanding of relevant controls to assess their effectiveness; b. evaluated borrowers through repayment, assessment of financial strength based on the available financial statements, adequacy of security/collateral, electronic credit information bureau (eCIB) reports and compliance with Prudential Regulations etc.; c. recomputed the provisioning of non-performing advances on the basis of time based criteria prescribed in Prudential Regulations and compared with the provision incorporated by the management of the Bank; d. In case of rescheduled/restructured non-performing advances, we tested, if declassification of such non-performing advances was in line with the requirements of Prudential Regulations; and e. Where the benefit of forced sale values (FSV) of collaterals held against non-performing advances has been taken for calculating the provisioning we tested if the benefit taken was in accordance with the requirements of Prudential Regulations.
02.	<p>Valuation of available for sale investments</p> <p>As disclosed in note 10 to the financial statements, the Bank has significant available for sale (AFS) investments including Pakistan Investment Bonds (PIBs), Market Treasury Bills (MTBs), term finance certificates (TFCs), government and non-government sukuk and equity shares. As per the Bank's policy AFS investments are measured at fair value using applicable valuation techniques as disclosed in the financial statement. Due to the significance of amount of AFS investment and the related impairment we considered this as a key audit matter.</p>	<p>On a sample basis, we have performed the following procedures:</p> <ul style="list-style-type: none"> a. obtained and updated our understanding of relevant controls to assess their effectiveness; b. Recomputed the fair values of PIBs, MTBs, TFCs, government and non-government sukuk and equity shares using applicable valuation techniques and compared the results with management's valuation; and c. In case of non-government debt securities and equity investment, we recomputed the impairment provision according to the Bank's policy including the assessment of investees financial health and compared the results with management's results.

	<p>Application of the revised format for annual financial statements of the State Bank of Pakistan (SBP) and the Companies Act, 2017</p> <p>As referred in notes 2.1 and 6.21 to the financial statements the Companies Act 2017 has become effective and SBP has also revised its format for annual financial statements for banking companies. The above have significantly changed the nature and content of disclosures in relation to various elements of the financial statements as well as the presentation of reserves on revaluation of investments and fixed assets in statement of changes in equity and the balance sheet. We considered the above change as a key audit matter in view of extensive impacts on the financial statements of the Bank.</p>	<p>The matter was addressed in our audit by performing the audit procedures where by, the management's process to identify the necessary amendments required in the Bank's financial statements was considered and an evaluation was made of the results of management's analysis and key decisions taken in respect of the transition and an assessment was made on the adequacy and appropriateness of disclosures and presentation made in the financial statements arising from the changes.</p>

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and the Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting and reporting standards as applicable in Pakistan, the requirements of Banking Companies Ordinance, 1962 and the Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

The board of directors is responsible for overseeing the Bank's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the bank's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide to the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Bank/branches as required by the Companies Act, 2017 (XIX of 2017) and the returns referred above from the branches have been found adequate for the purpose of our audit;
 - b) the statement of financial position, profit and loss account, the statement of comprehensive income, statement of changes in equity and statement of cash flows (together with the notes thereon have been drawn up in conformity with the Banking Companies Ordinance, 1962 and the Companies Act, 2017(XIX of 2017) and are in agreement with the books of account and returns;
 - c) investments made, expenditure incurred and guarantees extended during the year were in accordance with the objects and powers of the Bank/ branches and the transactions of the Bank/ branches which have come to our notice have been within the powers of the Bank/branches; and
 - d) zakat deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980), was deducted by the Bank and deposited in the Central Zakat Fund established under section 7 of that Ordinance.
2. We confirm that for the purpose of our audit we have covered more than sixty per cent of the total loans and advances of the Bank.

THE BANK OF KHYBER

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

1. STATUS AND NATURE OF BUSINESS

1.1 The Bank of Khyber ("the Bank") was established under The Bank of Khyber Act, 1991 and is principally engaged in the business of commercial banking and related services. The Bank acquired the status of a scheduled bank in 1994 and is listed on the Pakistan Stock Exchange Limited. The registered office of the Bank is situated at 24-The Mall, Peshawar Cantt, Peshawar and it has been temporarily shifted to 1st Floor, State Life Building, 34 - The Mall, Peshawar Cantt. The Bank operates 169 branches including 84 Islamic banking branches (2017: 166 branches including 83 Islamic banking branches). The long term credit ratings of the Bank assigned by The Pakistan Credit Rating Agency Limited (PACRA) and JCR-VIS are 'A' and 'A' respectively and the short-term credit ratings assigned are 'A1' (A-One) and 'A-1' (A-One) respectively.

2. BASIS OF PRESENTATION

2.1 During the year the State Bank of Pakistan (SBP) has revised the format for annual financial Statements for banking sector under BPRD Circular No. 02 dated January 25, 2018. Companies Act, 2017 became applicable for the first time for the preparation of these financial statements. The above, being the integral part of Statutory financial reporting framework applicable to the Bank as mentioned in note 3.1, below prescribes the nature and contents of disclosures in relation to various elements of the financial statements.

2.2 In accordance with the directives of the Federal Government regarding the shifting of the banking system to Islamic modes, the State Bank of Pakistan (SBP) has issued various circulars from time to time. Permissible forms of trade-related modes of financing include purchase of goods by the banks from their customers and immediate resale to them at appropriate mark-up in price on deferred payment basis. The purchases and sales arising under the respective arrangements (except for Murabaha financings accounted for under Islamic Financial Accounting Standard - 1 "Murabaha") are not reflected in these financial statements as such, but are restricted to the amount of facility actually utilized and the appropriate portion of markup thereon. However, the Islamic banking branches of the Bank have complied with the requirements as set out in the Islamic Financial Accounting Standards (IFAS).

2.3 The financial results of the Islamic Banking Group have been included in these financial statements for reporting purpose, after eliminating the effects of inter-branch transactions and balances. Key financial figures of the Islamic Banking Group are disclosed in Annexure "II" to these financial statements.

2.4 These financial statements have been presented in Pakistani Rupee, which is the Bank's functional and presentation currency. The figures have been rounded off to the nearest thousand rupees, unless otherwise stated.

2.5 These are separate financial statements of the Bank in which investments in associates are reported on the basis of direct equity interest and are not consolidated or accounted for by using equity method of accounting.

3. STATEMENT OF COMPLIANCE

3.1 These financial statements have been prepared in accordance with approved accounting and reporting standards as applicable in Pakistan. Approved accounting standards comprise of such International Financial Reporting Standards IFRS issued by the International Accounting Standards Board (IASB) and Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan as are notified under the Companies Act, 2017 provisions of and directives issued under the Banking Companies Ordinance, 1962, the Companies Act, 2017 and directives issued by the SBP and the Securities and Exchange Commission of Pakistan (SECP). Whenever the requirements of the Banking Companies Ordinance, 1962, Companies Act, 2017 or the directives issued by the SBP and the SECP differ with the requirements of IFRS or IFAS, requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 and the said directives shall prevail.

3.2 The SBP, vide BSD Circular No. 10, dated August 26, 2002 has deferred the applicability of International Accounting Standard 39, Financial Instruments: Recognition and Measurement and International Accounting Standard 40, Investment Property for banking companies till further instructions. Further, according to a notification of SECP dated April 28, 2008, IFRS 7 "Financial Instruments: Disclosure" has not been made applicable for banks. Accordingly, the requirements of these standards have not been considered in the preparation of these financial statements. However, investments have been classified and valued in accordance with the requirements prescribed by SBP through its various circulars.

3.3 IFRS 8, 'Operating Segments' is effective for the Bank's accounting period beginning on or after January 1, 2009. All banking companies in Pakistan are required to prepare their annual financial statements in line with the format prescribed under

THE BANK OF KHYBER
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2018

BPRD Circular No. 02 dated January 25, 2018, 'Revised Forms of Annual Financial Statements', effective from the accounting year ended December 31, 2018. Management believes that as the SBP has defined the segment categorization in the above mentioned circular, the SBP requirements prevail over the requirements specified in IFRS 8. Accordingly, segment information disclosed in these financial statements is based on the requirements laid down by the SBP.

3.4 SBP through BPRD Circular No. 04 of 2015 dated February 25, 2015 has deferred applicability of Islamic Financial Accounting Standard-3 for Profit & Loss Sharing on Deposits (IFAS-3) issued by the Institute of Chartered Accountants of Pakistan and notified by the Securities & Exchange Commission of Pakistan (SECP), vide their SRO No. 571 of 2013 dated June 12, 2013 for institutions offering Islamic Financial Services (IFS). The standard will result in certain new disclosures in the financial statements of the Bank as and when notified by SBP.

3.5 Standards, interpretations of and amendments to published approved accounting standards that are not yet effective in the current year.

Standard, Interpretation or Amendment	Effective date (annual periods beginning on or after)
-IAS 28 - Long Term Interest in Associates and Joint Venture (Amendments to IAS-28)	January 1, 2019
-IFRIC 23 - Uncertainty over Income Tax Treatments	January 1, 2019
-IFRS 15 - Revenue from contracts with customers	July 1, 2018
-IFRS 16- Leases	January 1, 2019
-Annual Improvements to IFRS Standards 2015-2017 Cycle	January 1, 2019
-IAS-19 Plan Amendment, Curtailment or Settlement (Amendments to IAS 19) (Employee Benefits)	January 1, 2019
-Sale or Contribution of Assets between an Investor and its Associate or Joint Venture (Amendments to IFRS 10 and IAS 28)	N/A
-IFRS 17- Insurance Contracts	January 1, 2021
-IFRS 9 - Financial Instruments	"period ending on or after June 30, 2019"

3.6 With respect to 'IFRS 15 - Revenue from contracts with customers' the Bank is currently in the process of assessing the potential impacts of changes required in revenue recognition policies upon adoption of the standard. Whereas on the application of "IFRS 9 - Financial Instruments", instructions of SBP are awaited.

3.7 There are certain new and amended standards, interpretations and amendments that are mandatory for the accounting periods beginning on or after January 1, 2018 but are considered not to be relevant or do not have any significant effect on the Bank's operations and therefore not detailed in these financial statements.

4 BASIS OF MEASUREMENT
Accounting convention

These financial statements have been prepared under the historical cost convention except that certain operating fixed assets have been stated at revalued amounts, certain investments, derivative financial instruments have been stated at fair value and the recognition of certain employees benefits at present value, as disclosed in their respective note.

5 SIGNIFICANT ESTIMATES AND JUDGEMENTS

The preparation of financial statements in conformity with approved accounting and reporting standards requires management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

THE BANK OF KHYBER
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2018

The areas where various assumptions and estimates are significant to the Bank's financial statements or where judgment was exercised in application of accounting policies are as follows:

5.1 Classification of investments

- In classifying investments the Bank follows the guidance provided in SBP circulars:
- "Investments classified as 'held for trading', are securities which are acquired with an intention to trade by taking advantage of short term market / interest rate movements and are to be sold within 90 days of acquisition."
- "Investments classified as 'held to maturity' are non-derivative financial assets with fixed or determinable payments and fixed maturity. In making this judgment, the Bank evaluates its intention and ability to hold such investment to maturity."
- The investments which are not classified as 'held for trading' or 'held to maturity' are classified as 'available for sale'.

5.2 Impairment of available-for-sale equity investments

The Bank determines that "available-for-sale" equity investments are impaired when there has been a significant or prolonged decline in the fair value below its cost. This determination of what is significant or prolong requires management to exercise judgment. In making this judgment, the Bank evaluates among other factors, the volatility in share price. In addition, impairment may be appropriate when there is evidence of deterioration in the financial health of the investee, industry and sector performance, changes in technology, and operational and financing cash flows.

5.3 Provision against non-performing loans and advances and debt securities classified as investments

The Bank reviews its loan portfolio and debt securities classified as investments to assess the amount of non-performing loans and advances and debt securities and provision required there-against. While assessing this requirement various factors including the delinquency in the account, financial position of the borrower, the forced sale value of securities and requirements of the Prudential Regulations are considered. For portfolio impairment provision on consumer advances and loans to small enterprises, the Bank follows the general provision requirement set out in Prudential Regulations.

5.4 Income taxes

While making the estimates for income taxes currently payable by the Bank, management looks at the current income tax laws and the decisions of appellate authorities on certain issues in the past. In making provision for deferred taxes, estimates of the Bank's future taxable profits and expected reversal of deductible temporary differences are taken into account.

5.5 Depreciation, amortization and revaluation of operating fixed assets / intangible assets

In making estimates of the depreciation / amortization, management uses method which reflects the pattern in which economic benefits are expected to be consumed by the Bank. The method applied is reviewed at each financial year end and if there is a change in the expected pattern of consumption of the future economic benefits embodied in the assets, the method is changed to reflect the change in pattern. Such change is accounted for as change in accounting estimates in accordance with International Accounting Standard - 8, "Accounting Policies, Changes in Accounting Estimates and Errors".

Further, the Bank estimates the revalued amount of leasehold land on a regular basis. The estimates are based on valuations carried out by independent professional valuers under the current market conditions.

5.6 Defined benefit plan

The liability of the defined benefit plan (gratuity) is determined using actuarial advice using the Projected Unit Credit Method. The actuarial valuation involves making assumptions about discount rates, expected rates of returns on assets and future salary increases, which have been disclosed in note 35.1. Actuarial assumptions are entity's best estimates of the variables that will determine the ultimate cost of providing post-employment benefits. Changes in these assumptions in future years may affect the liability / asset under the plan in those years. The latest actuarial valuation has been carried out on December 31, 2018.

5.7 Fair value of derivatives

"The fair values of derivatives which are not quoted in active markets are determined by using valuation techniques. The valuation techniques take into account the relevant interest rates in-effect at the date of statement of financial position and the rates contracted."

THE BANK OF KHYBER
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2018

6 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies adopted in the preparation of these financial statements are consistent with those of the previous financial year except the change explained in note 6.21.

6.1 Cash and cash equivalents

For the purpose of cash flow statement, cash and cash equivalents include cash and balances with treasury banks and balances with other banks in current and deposit accounts.

6.2 Lendings to / borrowings from financial institutions

The Bank enters into transactions of borrowing (re-purchase) from and lending (reverse re-purchase) to financial institutions, at contracted rates for a specified period of time. These are recorded as under:

a) Sale under repurchase agreements

Securities sold with a simultaneous commitment to repurchase at a specified future date (repos) continue to be recognized in the statement of financial position and are measured in accordance with accounting policies for investment and counter party liability is included in borrowings from financial institutions. The difference between sale and repurchase price is treated as mark-up/return/interest expense and accrued over the term of the repo agreement.

b) Purchase under resale agreement

Securities purchased with a corresponding commitment to resell at a specified future date (reverse repos) are not recognized in the statement of financial position, instead amounts paid under these agreements are included in lendings to financial institutions. The difference between purchase and resale price is treated as mark-up/return/interest income and accrued over the term of the reverse repo agreement.

c) Other lendings

Other lendings include term lendings and unsecured lendings to financial institutions. These are stated net of provision. Mark-up / interest income on such lendings is recorded on time proportion basis using effective interest rate method except mark-up on impaired/delinquent lendings, which are recognized on receipt basis.

d) Other borrowings

Other borrowings including borrowings from SBP are recorded at proceeds received. Mark-up expense on such borrowings is charged to the profit and loss account on time proportion basis using effective interest method.

6.3 Investments

6.3.1 Classification

The Bank classifies its investments as follows:

6.3.2 Held-for-trading

These are securities which are either acquired for generating a profit from short-term fluctuations in market prices, interest rate movements & dealer's margin or are securities included in a portfolio in which a pattern of short-term profit taking exists.

6.3.3 Held-to-maturity

These are securities with fixed or determinable payments and fixed maturity in respect of which the Bank has the positive intent and ability to hold to maturity.

6.3.4 Available-for-sale

These are investments that do not fall under the "held for trading" or "held-to-maturity" categories.

6.3.5 Associates

Investments in associated companies are stated at cost. Provision is made for impairment in value, if any.

6.3.6 Regular way contracts

All purchases and sales of investments that require delivery within the time frame established by regulation or market convention are recognized at trade date, which is the date at which the Bank commits to purchase or sell the investments.

6.3.7 Initial measurement

Investments other than those categorized as "held-for-trading" are initially recognized at fair value, which includes transaction costs associated with investments. Investments classified as "held-for-trading" are initially recognized at fair value and transaction costs are expensed in the profit and loss account.

THE BANK OF KHYBER
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2018

6.4 Subsequent measurement

6.4.1 Held-for-trading

These are measured at subsequent reporting dates at fair value. Gains and losses on re-measurement are included in the profit and loss account.

6.4.2 Held-to-maturity

These are measured at amortized cost using the effective interest rate method, less any impairment loss recognized to reflect irrecoverable amounts.

6.4.3 Available-for-sale

Quoted-securities classified as available-for-sale investments are measured at subsequent reporting dates at fair value. Any surplus / deficit arising thereon is kept in a separate account shown in the statement of financial position below equity and taken to the profit and loss account when actually realized upon disposal or when the investment is considered to be impaired.

Unquoted equity securities are valued at the lower of cost or break-up value. A decline in the carrying value is charged to the profit and loss account. The break-up value of these equity securities is calculated with reference to the net assets of the investee company as per the latest available audited financial statements. Investments in other unquoted securities are valued at cost less impairment losses.

6.4.4 Impairment

Provision for diminution in the value of securities is made after considering impairment, if any, in their value and charged to profit and loss account. Impairment is recognized when there is an objective evidence of significant or prolonged decline in the value of such securities. Provision for impairment against debt securities is made as per the aging criteria prescribed by the Prudential Regulations of SBP.

6.5 Advances

6.5.1 Advances (including Islamic financings) are stated net of specific and general provisions. Specific and general provision against advances is determined on the basis of Prudential Regulations and other directives issued by the SBP and charged to the profit and loss account. Advances are written-off when there are no realistic prospects of recovery.

6.5.2 Murabaha

Funds disbursed for purchase of goods are recorded as 'Advance for Murabaha'. On culmination of Murabaha, i.e. sale of goods to customers, Murabaha financings are recorded at the deferred sale price net of profit. Goods that have been purchased but remained unsold are recorded as inventories. Profit is recorded at the time of sale of goods under Murabaha as deferred income and is included in the amount of murabaha financings. Profit is taken to the profit and loss account over the period of the murabaha.

6.5.3 Ijarah financings

Ijarah financings executed on or before December 31, 2008 have been accounted for under Finance method, there after all Ijarah financings are accounted for under IFAS-2.

- (a) Under Finance method, the present value of minimum Ijarah payments have been recognized and shown under financings. The unearned income, i.e. the excess of aggregate Ijarah rentals over the cost of the asset and documentation charges under Ijarah facility is deferred and then amortized over the term of the Ijarah, so as to produce a constant rate of return on net investment in the Ijarah. Gains / losses on termination of Ijarah contracts are recognized as income on a receipt basis. Income on Ijarah is recognized from the date of delivery of the respective assets to the Mustajir (lessee).
- (b) Under IFAS-2 method, assets underlying Ijarah financing have been carried at cost less accumulated depreciation and impairment losses, if any, and are shown under financing. Rentals accrued from Ijarah financings net of depreciation charged are taken to profit and loss account. Depreciation on Ijarah assets is charged by applying the straight line method over the Ijarah period which is from the date of delivery of respective assets to Mustajir up to the date of maturity / termination of Ijarah agreement.

THE BANK OF KHYBER
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2018

6.5.4 Diminishing Musharakah

Diminishing Musharakah represents an asset in joint ownership, whereby a partner promises to buy the equity share of the other partner until the title to the equity is totally transferred to him. The partner using the asset pays the proportionate rental of such asset to the other partner (the Bank). Profit on Diminishing Musharakah financings is recognized on accrual basis.

6.5.5 Salam

Salam is a sale transaction where the seller undertakes to supply some specific goods/commodities to the buyer at a future date against an advance price fully paid on spot. In Salam Bank financing, the Bank purchase some specific goods / commodities from its customers to be delivered to within an agreed time. The goods are then sold and the amount hence financed is received back to Bank.

6.5.6 Istisna

In Istisna financing, the Bank places an order to client (seller/manufacturer) to manufacture and deliver specific goods/commodities at an agreed price. The goods are then sold and the amount hence financed is received back to the Bank.

6.5.7 Inventories

The Bank values its inventories at the lower of cost or net realizable value. Cost of inventories represents the actual purchase made by the Bank / customers as an agent on behalf of the Bank for subsequent sale. The net realizable value is the estimated selling price in the ordinary course of business less the estimated cost necessary to make the sale.

6.6 Operating fixed assets and depreciation

6.6.1 Capital-work-in progress

Capital-work-in progress is stated at cost less accumulated impairment losses, if any. These are transferred to operating fixed assets as and when the assets are available for use.

6.6.2 Tangible fixed assets

Property and equipment, except land which is not depreciated, are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes expenditure that is directly attributable to the acquisition of fixed assets. Leasehold land is carried at revalued amount while freehold land is carried at cost less accumulated impairment losses, if any.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Bank and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the profit and loss account when incurred.

Depreciation on fixed assets is charged to income over the useful life of the asset on a systematic basis by using the straight line method at the rates stated in note 12.3. Depreciation charge commences from the month when the asset is available for use and continues till the month the asset is discontinued either through disposal or retirement.

Revaluation of leasehold land is carried out with sufficient regularity to ensure that the carrying amount of the land does not differ materially from the fair value. Any revaluation increase in the carrying amount of land is recognized in other comprehensive income and presented as a separate component of equity as "revaluation surplus on fixed assets" except to the extent that it reverses a revaluation decrease / deficit for the same asset previously recognized in profit and loss account, in which case the increase is first recognized in profit and loss account to the extent of the decrease previously charged. Any decreases that reverse previous increases of the same asset are first recognized in other comprehensive income to the extent of the remaining surplus attributable to the asset, all other decreases are charged to profit and loss account. The revaluation reserve is not available for distribution to the Bank's shareholders.

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted if appropriate, at each reporting date. Gains and losses on disposal of fixed assets are included in the profit and loss account, except that the related surplus on revaluation of fixed assets (net of deferred tax) is directly transferred to un-appropriated profit.

6.6.3 Intangible assets

Intangible assets having finite useful life are stated at cost less accumulated amortization and impairment losses, if any. Such Intangible assets are being amortized using the straight-line method over their useful lives as stated in note 13.2. Amortization

THE BANK OF KHYBER
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2018

is charged from the month of acquisition and up to the month of deletion. The useful lives and amortization method are reviewed and adjusted, if appropriate, at each reporting date.

Costs associated with maintaining computer software are recognized as an expense when incurred.

6.7 Impairment of non-financial assets

The carrying amounts of the Bank's non-financial assets, other than deferred tax asset, are reviewed at each reporting date for impairment whenever events or changes in circumstances indicate that the carrying amounts of the assets may not be recoverable. If such indication exists, and where the carrying value exceeds the estimated recoverable amount, assets are written down to their recoverable amount. Recoverable amount is the greater of net selling price and value in use. The resulting impairment loss is taken to the profit and loss account except for the impairment loss on revalued assets, which is adjusted against the related revaluation surplus to the extent that the impairment loss does not exceed the surplus on revaluation of that asset.

6.8 Taxation

Income tax expense comprises of current and deferred tax. Income tax expense is recognized in the profit and loss account except to the extent that it relates to items recognized directly in equity, in which case it is recognized in equity.

6.8.1 Current

Provision for current taxation is based on taxable income for the year determined in accordance with the prevailing laws of taxation on income earned. The charge for current tax is calculated using prevailing tax rates or tax rates expected to apply to the profits for the year. The charge for the current year also includes adjustments, where considered necessary relating to prior years, arising from assessments finalized during the year for such years.

6.8.2 Deferred

Deferred tax is recognized using the balance sheet liability method on all temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes. Deferred tax is calculated at the tax rates that are expected to apply to the periods when the differences are expected to reverse, based on tax rates that have been enacted or substantively enacted at the reporting date.

Deferred tax asset is recognized only to the extent that it is probable that future taxable profits will be available against which the assets can be utilized. Deferred tax asset is reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred tax, if any, on revaluation of fixed asset and investments is recognized as an adjustment to surplus / (deficit) arising on revaluation in accordance with the requirements of IAS-12 "Income Taxes".

6.9 Employee Benefits

6.9.1 Defined benefit plan

The Bank operates a funded gratuity scheme for all its permanent employees. Contributions are made to the fund by the Bank in accordance with the rules of the scheme. Employees are entitled to the benefits under the scheme which comprise of two last drawn basic salaries for each completed year of service. Contributions to the fund are made on the basis of actuarial recommendations. Actuarial valuation was carried out on December 31, 2018 using the Projected Unit Credit Method. Actuarial gains/losses arising from experience adjustments and changes in actuarial assumptions are recognized immediately in other comprehensive income.

6.9.2 Defined contribution plan

The Bank operates a recognized contributory provident fund covering all its permanent employees. Equal monthly contributions are made by the Bank and the employees to the fund at a rate of fifteen percent of basic salary.

6.9.3 Compensated absences

The Bank accounts for all accumulating compensated absences when employees render service that increases their entitlement to future compensated absences. The liability is determined based on actuarial valuation carried out using the Projected Unit Credit Method. The latest actuarial valuation has been carried out on December 31, 2018.

THE BANK OF KHYBER
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2018

6.10 Financial instruments

6.10.1 Financial assets and liabilities

Financial assets and financial liabilities are recognized at the time when the Bank becomes a party to the contractual provision of the instrument. Financial assets are de-recognized when the contractual right to future cash flows from the asset expires or is transferred along with the risk and reward of the asset. Financial liabilities are de-recognized when obligation specific in the contract is discharged, cancelled or expired. Any gain or loss on de-recognition of the financial asset and liability is recognized in the profit and loss account of the current period. The particular recognition and subsequent measurement methods adopted for significant financial assets and financial liabilities are disclosed in the individual policy statements associated with them.

6.10.2 Derivative financial instruments

Derivative financial instruments are initially recognized at fair value on the date on which the derivative contract is entered into and are subsequently re-measured at fair value using appropriate valuation techniques. All derivative financial instruments are carried as assets when fair value is positive and liabilities when fair value is negative. Any change in the fair value of derivative financial instruments is taken to the profit and loss account.

6.11 Revenue

Income on murabaha is accounted for on culmination of murabaha transaction and is recognized as revenue on a time proportionate basis. Unearned profit is accounted for by crediting deferred murabaha income, which is recorded as a liability.

"Interest / return / mark-up on regular loans / advances (other than murabaha) and debt securities investments is recognized on time proportion basis. Where debt securities are purchased at premium or discount, the same is amortized through the profit and loss account using the effective interest rate method. "

Interest / return / mark-up recoverable on classified loans and advances and investments is recognized on receipt basis. Interest / return / mark-up on classified rescheduled / restructured loans and advances and investments is recognized as permitted by the regulations of the SBP.

For Ijarah contracts written up to December 31, 2008, the Bank follows finance method in recognizing income. Under this method the unearned finance income, i.e., the excess of aggregate Ijarah rentals over the cost of the asset and documentation charges under Ijarah facility, is deferred and then amortized over the term of the Ijarah, so as to produce a constant rate of return on net investment in the Ijarah. Gains / losses on termination of Ijarah contracts are recognized as income on receipt basis. Income on Ijarah is recognized from the date of delivery of the respective assets to the Mustajir.

Rentals on Ijarah contracts written subsequent to December 31, 2008 are recognized as income on accrual basis as and when the rentals become due. Income is recognized net of depreciation charged in the profit and loss account.

Dividend income is recognized when the Bank's right to receive the dividend is established.

Fee, commission, liquidated damages etc. are recorded on accrual basis when the service has been provided. Fees and commission which in substance amount to an additional interest charge, are recognized over the life of the underlying transaction on a level yield basis.

Gain / loss on sale of investments is credited / charged to profit and loss account.

6.12 Foreign currencies

a) Foreign currency transactions and balances

Transactions in foreign currencies are translated into Pakistani Rupees at the exchange rates prevailing on the transaction date. Monetary assets and liabilities in foreign currencies are expressed in Rupee terms at the rates of exchange prevailing on the reporting date. Foreign bills purchased and forward foreign exchange contracts are valued at forward rates applicable to their respective maturities.

b) Translation gains and losses

Translation gains and losses are included in profit and loss account.

THE BANK OF KHYBER
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2018

c) Commitments

Commitments for outstanding forward foreign exchange contracts disclosed in the financial statements are translated at forward rates applicable to their respective maturities. Contingent liabilities / commitments for letters of credit and letters of guarantee denominated in foreign currencies are expressed in Rupee terms at the rates of exchange prevailing on the reporting date.

6.13 Segment Reporting

A segment is a distinguishable component of the Bank that is engaged either in providing products or services (business segment), or in providing products or services within a particular economic environment (geographical segment), which is subject to risks and rewards that are different from those of other segments. Segment information is presented as per the guidance of SBP.

c) Retail banking

It includes retail lending and deposits, banking services, trust and estates, private lending and deposits, banking services and retail offered to its retail customers.

d) Commercial banking

Commercial banking includes project finance, real estate, export finance, trade finance, factoring, leasing, lending, guarantees, bills of exchange and deposits.

6.13.2 Geographical segments

The Bank conducts all its operations in Pakistan.

6.14 Provisions

Provisions are recognized when the Bank has a legal or constructive obligation arising as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

Provision against identified non-funded losses is recognized when intimated and reasonable certainty exists for the Bank to settle the obligation. The loss is charged to the profit and loss account net of expected recovery and is classified under other liabilities

6.15 Borrowings / deposits and their cost

a) "Borrowings / deposits are recorded at the proceeds received."

b) Borrowings / deposits cost are recognized as expense in the period in which these are incurred using effective mark-up / interest rate method.

6.16 Off setting

Financial assets and financial liabilities are set off and the net amount is reported in the financial statements when there is a legally enforceable right to set off and the Bank intends to either settle on a net basis, or to realize the assets and to settle the liabilities simultaneously.

THE BANK OF KHYBER

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

6.17 Earnings per share

The Bank presents earnings per share (EPS) data for its ordinary shares. EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Bank by the weighted average number of ordinary shares outstanding during the year.

6.18 Dividends and appropriations to reserves

Dividend and appropriation to reserves, except appropriations which are required under the law, after the reporting date, are recognized in the Bank's financial statements in the year in which these are approved.

6.19 Fiduciary assets

Assets held in a fiduciary capacity are not treated as assets of the Bank in statement of financial position.

6.20 Statutory Reserve

Every Bank incorporated in Pakistan is required to transfer 20% of their profit to a statutory reserve until the reserve equals share capital, thereafter 10% of the profit of the Bank is to be transferred to this reserve.

6.21 Changes in accounting policies

Previously, the Bank's accounting policy for surplus on revaluation of fixed assets was in accordance with the provisions of section 235 of the repealed Companies Ordinance, 1984 which required "a deficit arising on revaluation of a particular property to be adjusted against the total balance in the surplus account, or if no surplus existed, it is to be charged to the profit or loss account as an impairment loss. With the enactment of Companies Act, 2017 "deficit arising on revaluation of a particular property is now to be accounted for in accordance with the relevant standards (IAS/IFRSs), which requires that such deficit cannot be adjusted against the surplus in another property, but is to be taken to the profit or loss account as an impairment loss. Consequently, the Bank has changed its policy for accounting of deficit arising on revaluation of fixed assets, however, the change has no impact on current and prior year's financial statements of the bank. The revised accounting policy is explained in note 6.6.2 above. Further, the requirements of the repealed Companies Ordinance, 1984 to present the surplus on revaluation of fixed assets as a separate item below equity has not been carried forwarded in the Companies Act, 2017. In view of the above and also in accordance with SBP's revised format of annual financial statements (note 2.1), the surplus on revaluation of fixed assets is now shown in the statement of financial position and the statement of changes in equity as a part of equity. Similarly, the SBP's revised format of annual financial statements (note 2.1) also requires the Bank to disclose surplus/deficit on revaluation of investments in statement of changes in equity whereas in the previous years, the same was disclosed in the balance sheet below equity.

The management of the Bank believes that it is highly probable that the Bank will be able to achieve the profits and consequently the deferred asset is fully realizable in future. The above assertion is based on financial projection for five years future taxable profits which is based on key assumptions that primarily include the growth of low cost deposits, growth in high yield customer advances, investment returns, branch expansion plans, potential provision against advances, interest rates, cost of funds and expected recoveries of classified advances.

17.1 The Bank has entered into agreements for financing with the State Bank of Pakistan for extending export finance to customers. As per the agreements, the Bank has granted to SBP the right to recover the outstanding amount from the Bank at the date of maturity of finance by directly debiting the current account maintained by the Bank with the SBP. Against these facilities, State Bank of Pakistan charges mark-up of 3.00% (2017: 3.00%) per annum from the Bank. Currently the Bank earns a spread ranging from 1.00% to 2.00% (2017: 1.00% to 2.00%) per annum. The borrowings are repayable within six months from the deal date.

17.2 These borrowings have been obtained from SBP for providing financing facilities to exporters for adoption of new technologies and modernization of their plant and machinery. These borrowings are repayable within a period ranging from 3 years to 10 years. Against these facilities, State Bank of Pakistan charges mark-up ranging from 3.00% to 4.5% (2017: 3.00% to 4.5%) per annum from the Bank. Currently the Bank earns a spread ranging from 1.50% to 3.00% (2017: 1.50% to 3.00%) per annum.

17.3 This represents secured borrowing under Bai Muajjal carrying returns ranging from 6.04% to 10.06% (2017: 5.79% to 5.83%) per annum with maturities upto February 26, 2019 and are secured by way of government securities given as collateral as referred in note 10.5.

17.4 Repurchase agreement with financial institution carries interest rate at 10.18% (2017: 5.80% to 6.05%) per annum with maturities upto January 4, 2019 and are secured by way of investments given as collateral as referred in note 10.5.

17.5 Call borrowing from financial institutions carries interest rate of 9.00% (2017: 5.60%) per annum with maturities up to January 04, 2019.

The income tax assessments of the Bank have been finalized up to tax year 2018. During financial year 2011, the tax authorities issued an amended order for the tax year 2009 disallowing certain expenditure on account of lack of evidence for such expenditure resulting in an additional tax demand of Rs. 308.900 million. The Bank filed an appeal as well as rectification application against the said order. Based on rectification application, the order was amended and accordingly the additional demand was reduced to Rs. 256.349 million. During 2012, the Commissioner Inland Revenue (Appeals) [CIR (A)] through an order dated June 01, 2012 has deleted certain additions on account of disallowances except for the additions under certain heads of expenses having tax impact of approximately Rs. 23 million. The Bank had filed an appeal against the order of the Appellate Tribunal Inland Revenue (ATIR) in respect of remaining additions which also decided in favor of the Bank. Subsequently, CIR went in to appeal in Peshawar High Court. The management is confident that matter will be decided in Bank's favor.

35.1.10 Sensitivity analysis

The sensitivity analysis is based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied, as applied when calculating the gratuity liability recognized within the statement of financial position.

37 FAIR VALUE MEASUREMENTS

The fair value of quoted investments other than those classified as held to maturity is based on quoted market prices. The fair value of unquoted equity investments is determined on the basis of break-up value of these investments as per their latest available audited financial statements. The fair value of fixed term loans, other assets, other liabilities and fixed term deposits cannot be calculated with sufficient reliability due to the absence of current and active market for these assets and liabilities and reliable data regarding market rates for similar instruments. The provision for impairment of loans and advances has been calculated in accordance with the Bank's accounting policy as stated in note 6.5.

The maturity and re-pricing profile and effective rates are stated in notes 42.4.1 and 42.2.5 respectively.

In the opinion of the management, the fair value of the remaining financial assets and liabilities are not significantly different from their carrying values since assets and liabilities are either short-term in nature or in the case of customer loans and deposits, are frequently re-priced.

37.1 Fair value of financial assets

The Bank measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

- Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: Fair value measurements using input for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

THE BANK OF KHYBER
NOTES TO THE FINANCIAL STATEMENTS
 FOR THE YEAR ENDED DECEMBER 31, 2018

37.2 The table below analyses the financial and non-financial assets carried at fair values, by valuation methods. For financial assets, the Bank essentially carries its investments in debt and equity securities at fair values. Valuation of investments is carried out as per guidelines specified by the SBP. In case of non-financial assets, the Bank has adopted revaluation model (as per IAS 16) in respect of leasehold land.

The valuation techniques used for above assets are same as disclosed in note 6.3 & 6.4 of these financial statements. The Bank's policy is to recognize transfers into and out of the different fair value hierarchy levels at the date the event or change in circumstances that caused the transfer occurred. There were no transfers between levels 1 and 2 during the year. Leased hold land is carried at revalued amount as determined by professional valuer, based on their assessment of market value and has been classified under level-3 as the effect of changes in the unobservable inputs used in the valuation cannot be determined with certainty.

THE BANK OF KHYBER
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2018

(a) Financial instruments in level 1

Financial instruments included in level 1 comprise of investments in listed ordinary shares.

(b) Financial instruments in level 2

Financial instruments included in level 2 comprise of Sukuks Bonds, Pakistan Investment Bonds, Market Treasury Bills, Term Finance certificates, FX options and Forward Exchange Contracts.

(c) Financial instruments in level 3

Currently, no financial instruments are classified in level 3.

Valuation techniques and inputs used in determination of fair values within level 1

Fully paid-up ordinary shares

Fair values of investments in listed equity securities are valued on the basis of closing quoted market prices available at the Pakistan Stock Exchange.

Valuation techniques and inputs used in determination of fair values within level 1

Pakistan Investment Bonds / Market Treasury Bills

Fair values of Pakistan Investment Bonds and Treasury Bills are derived using the PKRV rates (Reuters page).

Government of Pakistan (GoP) - Ijarah Sukuks

Fair values of GoP Ijarah Sukuks are derived using the PKISRV rates announced by the Financial Market Association (FMA) through Reuters. These rates denote an average of quotes received from eight different pre-defined / approved dealers / brokers.

Term Finance, Bonds and Sukuk certificates

Investments in debt securities (comprising term finance certificates, bonds, Sukuk certificates and any other security issued by a company or a body corporate for the purpose of raising funds in the form of redeemable capital) are valued on the basis of the rates announced by the Mutual Funds Association of Pakistan (MUFAP) in accordance with the methodology prescribed by the Securities and Exchange Commission of Pakistan. In the determination of the rates, the MUFAP takes into account the holding pattern of these securities and categorises these as traded, thinly traded and non-traded securities.

Valuation techniques and inputs used in determination of fair values within level 3

Operating fixed assets (Leasehold land)

Leasehold land are revalued on regular basis using professional valuers on the panel of Pakistan Banker's Association. The valuation is based on their assessment of market value of the properties.

42 RISK MANAGEMENT

Banks are in business of taking risk in order to earn acceptable required return. Risk management in Bank of Khyber is performed at each level of authority and is managed through an ongoing process of identification, measurement and monitoring subject to risk limits and other controls.

The Bank is exposed to credit, market, operational and liquidity risks. For mitigation of these risks, RMD is equipped with dedicated resources having expertise in various areas of risk. Credit Risk management department is responsible to assess credit risk present in a loan proposal and makes its recommendations for rectification/management of various credit risk in a loan proposal.

Market & Liquidity Risk Management (MRMD) is responsible for policy formulation, procedures development, controlling of market and liquidity related various risks including monitoring of exposures against limits and assessment of risks in new businesses. MRMD ensure that the bank's position in Money Market, Foreign exchange, and Capital Market transactions remain within the assigned internal and regulatory limits. Market and liquidity Early Warning Indicators (EWI) and Portfolio-wise Management Action Triggers (MAT) are duly reported to the management. Similarly Operational risk management assess the impact of risk of loss due to an event or action causing failure of technology, process infrastructure, personnel and other external events. Their impact is assessed through Risk Control Self Assessment (RCSAs), Key risk indicators (KRIs) and loss data base. Owing to growing importance of regulatory reporting, a Basel II and Regulatory reporting department has also been established to keep the Bank in line with various regulatory requirements.

The Bank is fully aware that risk management could not be solely performed by a dedicated centralized department but instead to have an effective risk management framework, Front line staff of the Bank, senior management and Board oversight is needed to aid in Implementation of the framework. The Bank has a dedicated Management Risk Management Committee (MRMC) and Board Risk Management Committee (BRMC). BRMC is also responsible to review the extent of design and adequacy of risk management framework. The Bank also has a management level Risk Management Committee which is responsible for the smooth implementation of risk management framework within the entire Bank.

42.2 Market risk

It is the risk that the value of the on and off-balance sheet positions of the Bank will be adversely affected by movements in market rates or prices such as interest rates, equity prices and/or commodity prices resulting in a loss of earnings, and capital. Market risks arise generally from trading activities, open foreign currency positions, holding common equity, and other products. All such instruments and transactions are exposed to general and specific market movements.

The Bank's Market Risk Management structure consists of BRMC for Board oversight, MRMC and Asset and Liabilities Committee (ALCO) at the senior management level and dedicated Market & Liquidity Risk Management Department (MRMD) reporting directly to Head Risk Management Division. MRMD is responsible for policy formulation, procedures development, controlling of market risks including monitoring of exposures against limits and assessment of risk in new businesses. Market risk authority, including both approval of market risk limits and approval of market risks is vested in BRMC and ALCO.

The Bank seeks to mitigate market risk by employing strategies that correlate price, rate and spread movements of its earning assets, liabilities and trading activities. Various broad limits are set and recommended by ALCO to BRMC approval for proper management of Market risk. MRMD has developed a dedicated Financial Institutions (FIs) model for inter-bank lines setting to different financial institutions. The intra-day positions are managed by treasury division through Management Action Trigger (MAT) / Dealers limits. Stress testing is carried out for both Banking and trading books as per SBP guidelines. The Bank has adopted standardized approach to measure market risk regulatory charge in compliance with Basel II & III requirements. MRMD is preparing stress testing report and market risk capital charge on quarterly basis.

42.2.2 Foreign exchange risk

Foreign exchange risk/currency risk is defined as risk of loss to earnings and capital arising from adverse movements in currency exchange rates. The Bank undertakes currency risk mostly or supports its trade services and maintains overall foreign exchange risk positions to the extent of statutory foreign exchange exposure limit prescribed by SBP.

Exposure limits such as counter party, gap currency-wise net open position, portfolio-wise management action triggers, dealer and product limits are also in place in accordance with the Bank's approved policies to limit risk and concentration to the acceptable tolerance levels. ALCO is regularly informed through reports issued on regular frequencies for required monitoring. Hedging strategies and mark-to-market valuations are used to mitigate exchange risk resulting from open positions, where required.

"It is the risk of loss to earning or capital as a result from unfavorable fluctuations in prices of shares in which the Bank carries long and / or short positions, in its trading book. ALCO (Asset Liability Committee) is responsible for making investment decisions in the capital market and setting limits as per BRMC approved criteria as per Bank's BoD approved market risk management policy. Portfolio, sector and scrip wise limits are assigned by the ALCO to safeguard against concentration risk and these limits are reviewed and revised periodically along with results of different stress tests. The treasury division ensures compliance of concentration limits set by ALCO. Limit breaches if any are promptly reported to ALCO for its ratification and BRMC for their information."

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2018

42.2.4 Yield /interest rate risk in the banking book (IRBB)-Base II Specific

Yield Curve risk is the risk that a financial instrument will suffer either a decline because future changes in prevailing interest rates impact assets more or less than they impact liabilities.

The interest rate risk of the Bank arises when there is a mismatch between contractual maturities, which are subject to interest rate adjustment within a specified period or re-pricing of on- and off-balance sheet assets and liabilities. The bank's ALCO is primarily responsible for the oversight of the interest rate risk. In order to ensure risk is managed within acceptable limits, Market & Liquidity Risk Management Department of RMD and ALCO monitor various gap limits, portfolio-wise management action triggers and re-pricing of the assets and liabilities on a regular basis.

Major sources of interest rate risk are:

- differences between the timing of rate changes and the timing of cash flows (re-pricing risk);
- changing rate relationships among different yield curves affecting bank activities (basis risk);
- changing rate relationships across the range of maturities (yield curve risk); and
- interest-related options embedded in bank products (options risk).

42.3

Operational risk

The Bank of Khyber, like all financial institutions, is exposed to many types of operational risks, including the potential losses arising from internal activities or external events caused by breakdowns in information, communication, physical safeguards, business continuity, supervision, transaction processing, settlement systems and procedures and the execution of legal, fiduciary and agency responsibilities.

The Bank defines operational risks as the risk of loss resulting from inadequate or failed internal processes, people and systems or from external events. This definition includes legal risk, but excludes strategic and reputational risk. The Bank maintains a system of internal controls designed to keep operational risk at appropriate levels keeping in view the Bank's financial strength and the characteristics of the activities and market in which it operates. These internal controls are periodically updated and tested.

The Bank has also in place the business continuity plan and appropriate outsourcing measures to cater to related operational risks.

Currently, the Bank uses the Basic Indicator Approach (BIA) for assessing its operational risk capital charge. The Bank also has an approved operational risk policy in terms of SBP BPRD circular 04 of 2014. As part of pro-active operational risk management, The Operational Risk Management Department (ORMD) has already completed RCSA's of Retail Banking, Treasury and Investment, and Information Technology Division. The processes were thoroughly discussed with relevant stakeholders for any control failures/lapses. Based on the results of RCSAs, adequate Key Risk Indicators (KRIs) for various business lines are also developed. An Automated solution for incident reporting is in place and can be accessed by every employee of the bank for reporting of control breaches leading to losses.

THE BANK OF KHYBER NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2018

42.3.1 Operational risk-disclosures based on its specific Basic Indicator Approach (BIA) is used for Operational Risk under Basel III.

42.4 Liquidity risk

Liquidity risk is the risk that the Bank is unable to meet its payment obligations associated with its financial liabilities when they fall due, and to replace funds when they are withdrawn. Liquidity risk is governed by the liquidity management policy of the Bank and is managed by Market & Liquidity Risk Management Department under the supervision of ALCO.

The Bank's Asset & Liability Committee (ALCO) manages the liquidity position on a regular basis and is primarily responsible for the formulation of the overall strategy and oversight of the asset & liability function. ALCO monitors the maintenance of liquidity ratios, both in terms of the overall funding mix and avoidance of undue reliance on large individual deposits. The BOD has approved comprehensive Liquidity Risk Management Policy which stipulates the early warning indicators (EWI) of liquidity risk and maintenance of various ratios according to comfortable, acceptable, warning and stress zones. Moreover, Bank also has Contingency Funding Plan (CFP) in place to address liquidity issues in times of stress/crisis situation. In addition, ALCO & BRMC are briefed about various Liquidity Risk standards like Liquidity Coverage Ratio and its monitoring tools on periodic basis. Further the Bank has designed different scenarios of cash outflows to stress test efficiency of its liquid assets and its impact on profit and loss. Bank performs regular liquidity stress tests as part of its liquidity monitoring activities. The purpose of the liquidity stress tests is intended to ensure sufficient liquidity for the Bank under both idiosyncratic and systemic market stress conditions. The results are regularly reviewed by ALCO for taking appropriate measures.

Bank's liquidity risk management approach involves intraday liquidity management, managing funding sources and evaluation of structural imbalances in balance sheet structure. The Bank's large and stable base of customer deposits, along with Bank's strong capital base supplemented underlying strength and strong liquidity position during the year. Bank also has a substantial portfolio of marketable securities that can be realized in the event of liquidity stress. The level of liquidity reserves as per regulatory requirements also mitigates liquidity risk.

As a part of liquidity management, the Bank maintains borrowing relationships with various financial institutions to ensure the continued access to diverse market of funding sources. The Bank's credit rating together with market reputation has enabled it to secure ample call lines with local and foreign bank and can fulfill its liquidity gap if a need arises.

The experience of Global Financial Crisis (GFC) has urged the banks to follow an aggressive approach regarding liquidity and funding risk. State Bank of Pakistan has re-defined the guidelines and mechanism for banks in terms of different disclosures and reports. This entire mechanism as directed by SBP based on liquidity standards referred by BRR Circular # 08 - 2016 is implemented to ensure the liquidity risk management within regulatory parameters. The main disclosures are consisted liquidity coverage ratio (LCR) and Net stable funding ratio (NSFR).

42.5 Derivative risk

Derivatives are type of financial contracts the value of which is determined by underlying one or more assets or benchmarks. Globally, derivatives are known and used to be very complex and risky financial instruments: however, in Pakistan, the banks usually operate in forwards, futures, swaps and options.

Currently, the Bank is not delicately involved in derivatives business or trading. However, it operates in foreign currency forwards and swaps, a type of financial derivatives.

In our banking industry, derivatives desk is operated within treasury business through competent resources in terms of adequate systems and qualified human resources. The responsibility to monitor and contain the risks in derivatives business resides with Treasury Middle Office. The Risks associated with Financial Derivatives business are

Credit risk:

Credit risk refers to any default by a party involved in derivatives transaction, resulting an adverse impact on the profitability of the Bank. The credit risk is further categorized into settlement and pre-settlement risks and are controlled via imposition of limits to derivatives transactions.

THE BANK OF KHYBER
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2018

Market risk:

In Pakistan mainly derivatives products are used to hedge/cover interest rate risk and exchange rate risk by taking positions in interest rate swaps, cross currency swaps and foreign currency options. These risks are controlled through taking counter positions (back to back positions) and via limits in terms of DV01 (sensitivity limit) tenor limits and investment limits.

Operational risk:

The resources in terms of people and systems involved in the management of derivatives activities are required to be adequately qualified, trained and competent in order to avoid the losses generated through mis-handling of derivatives business.

43 ENVIRONMENT & SOCIAL RISK MANAGEMENT / GREEN BANKING

Social responsibility in the financial sector has evolved and its significance has increased considerably in the past couple of decades. In order to meet the evolved social obligations, the Bank has initiated various activities focusing on environmental preservation and energy conservation. For this purpose, the Bank aims to promote the concept of own impact reduction, paperless culture, carbon emissions reduction and encouraging plantation.

Being a socially responsible Bank, we are keen to provide our input in reduction of emissions, increase in awareness through environment friendly practices and reducing our own carbon footprint through establishment of Solar powered ATMs. Further, the Bank plans to introduce solar powered branches in the near future.

During the previous year, the Bank has provided renewable energy (Solar) financing facilities. Branches have been instructed to use energy efficiently through managing equipment, lesser use of paper, and encouraging plantation in the vicinity of the Branches. Branches are also advised to arrange meetings in order to raise awareness among the staff regarding conservation of energy and environmental protection. In addition to that, the Bank has also converted its ATMs from conventional energy to solar energy. Finally, marketing activities are to be carried out using digital medium such as social media. The Bank also aims to develop digital banking solutions in the near future in order to integrate paperless culture within the Bank as well as among the customers.

44 EVENTS AFTER THE REPORTING DATE

The board of directors in its meeting held on March 01, 2019 has proposed a cash dividend in respect of 2018 of Rs. Nil (2017: Rs. 1.50 per share) to be approved in the forthcoming annual general meeting.

45 GENERAL

10 Pool management
 Islamic Banking Group of the Bank is operating following pools/sub-pools.

General pool

Sub-pools

- i. Riba free special deposit pool
- ii. Riba free special deposit pool - Treasury Interbank
- iii. Riba free special deposit pool - Corporate
- iv. Riba free special deposit pool - Corporate II
- v. Riba free special deposit pool - Mutual fund / FI
- vi. Riba free special deposit pool - Staff provident fund
- vii. Riba free special deposit pool - Islamic export refinancing security (IERS)
- viii. Riba free special deposit pool - Profit Equalization Reserves (PER)
- ix. Riba free special deposit pool - Investment Risk Reserves (IRR)

Features of general pool

In this pool all types of deposits are accepted on Musharakah basis against all types of assets and income from all types of assets. Certificates can also be issued for a fixed period.

Deposits received in this Pool are invested in Islamic assets like Murabaha, Ijarah, Diminishing Musharakah, Running Musharakah, Istisna, Islamic Sukuks and any other Shariah Compliant investment which are duly approved by the Shariah Advisor. Deposits are accepted through all BOK Islamic branches, as well as, Islamic desks established in Conventional branches of the Bank.

Features of sub-pools

In sub pools, deposits are accepted on Musharakah basis against specific assets and are offered expected profit rates. Certificates can also be issued for a fixed period.

Deposits received in this pool are invested in Islamic assets like Ijarah, Diminishing Musharakah, Running Musharakah, Islamic Sukuks and any other Shariah Compliant investment which are duly approved by the Shariah Advisor. Deposits are accepted through all Islamic branches of the Bank as well as Islamic desks established in conventional branches of the Bank.

These deposits are tagged with specific assets and deposits are accepted only when there is some opportunity of investment. These deposits require approval before acceptance.

Key features

- Minimum investment is prescribed by the Bank for each sub-pool.
- Profit payment on monthly basis.
- Profit calculated on daily average balance for the month.
- Investment as deposit and certificate for 1 month, 3 months and 6 months etc.
- Pre-mature termination is allowed without any adjustment if expected profit reduces for the coming months.

THE BANK OF KHYBER NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2018

Risks of the special sub - pools

All special pools are created as sub-pools of the general pool. All administrative expenses of the pools are borne by the general pool as equity contributor. However, depositors bear the risk of all direct losses and expenses of the pool. All residual income of the pool is transferred to the general pool being equity holders.

Profit sharing and weightages for distribution of profit

Assignment of weightage for profit distribution to different types of profit bearing sources of funds is as follows:

While considering weightages emphasis shall be given to the quantum, type and the period of risk assessed by following factors:

- i. Period of investment (number of months, years)
- ii. Profit payment option (monthly, quarterly, yearly/maturity)
- iii. Purpose of deposit (Hajj, Umrah etc.)
- iv. Type of customer (pensioners, widows, corporate, individual)

Weightages are declared five days before start of each month.

As per policy of the Bank, No gift (Hiba) is given in favor of any particular customer or a particular class or category of customers/investors. However, bank reduced its own share of the bank's additional profit which is less than 60% of the Bank's additional profit ratio.

Brief highlights of profit earned and distributed to depositors and retained by IBG are as under:

	2018	2017
	Rupees in '000	
Gross profit earned	3,541,650	2,663,715
Administrative expenses	1,488,379	1,321,748
Distributable share	2,053,271	1,341,967
Profit paid to IAH/PLS depositors	1,231,072	810,332

Charging expenses

All types of administrative expenses are shared with the depositors. However, equity holders have the option to absorb all or part of administrative expenses.

All general and specific provisions created against non-performing financing and diminution in the value of investment as under prudential regulations and other SBP directives have not been passed on to the PLS deposits as expense. However, income reversals due to classification of assets and losses due to actual write-off of any facility have been considered expenses of the pool.

Profit Equalization Reserve of Rs. 44,855 million (December 31, 2017: Rs. 42,671 million) is not available for the distribution of cash and stock dividend to the shareholders.

Classification of assets, revenues, expenses, gain and loss on the basis of sources of finance:

All earning assets of Islamic banking group are jointly financed by unrestricted investments/PLS deposits account holders and the Bank. Detail of jointly financed earning assets is:
